Find spot Page

A hand-drawn sketch of a mobile app screen. At the top, there is a header bar with a hamburger menu icon on the left and the text 'Backpackers' in the center. Above the header, there is a note 'background image' with arrows pointing to the header area. Below the header, the main content area is titled 'Find a Place'. It contains four input fields: 'Spot Name', 'Place Name', 'Select country' (with a dropdown arrow), and 'Select things to do' (with a dropdown arrow). At the bottom of the main content area is a button labeled 'Find' with a right-pointing arrow.

A hand-drawn sketch of a mobile app screen, similar to the one on the left but with additional elements. The header bar at the top contains the text 'Backpackers' on the left and a navigation bar on the right with four items: 'Home', 'Add a spot', 'Find spot', and 'About'. Above the navigation bar, there is a note 'background image' with arrows pointing to the navigation bar area. The main content area is titled 'Find a Place' and contains the same four input fields as the left sketch: 'Spot Name', 'Place Name', 'Select country' (with a dropdown arrow), and 'Select things to do' (with a dropdown arrow). At the bottom of the main content area is a button labeled 'Find' with a right-pointing arrow. At the very bottom of the screen is a footer bar with the text 'Backpackers' on the left and three social media icons (Facebook, Twitter, and Instagram) on the right.
